

# BENEFITS OF MEMBERSHIP

Bonsucro is a global, multi-stakeholder non-profit organisation that exists to promote sustainable sugarcane production, processing and trade. Bonsucro has created a global community of over 250 members in more than 50 countries that represent the entire sugarcane supply chain.

These organisations work together to create sustainable producer communities and resilient, assured supply chains.

## WHY JOIN?

- Help make the sugarcane sector more sustainable
- Connect with those working in sugarcane across the world and build new relationships
- Work towards achieving Sustainable Development Goals such as 'responsible consumption and production' and 'climate action'
- Obtain direct access to the Bonsucro team in London, São Paulo, Buenos Aires, Mexico City, Cape Town, Delhi and Singapore
- Collaborate on impact projects to address key sustainability issues in sugarcane, such as supporting smallholder farming communities and exploring synergies with government policy
- Use the Credit Trading Platform - a revolutionary tool to connect sugarcane buyers and producers
- Hear regular updates on relevant global and regional policies
- Receive technical advice on sustainability in sugarcane production and supply chains
- Use Bonsucro's practical tools and resources to understand your sustainability status and identify areas that you can improve
- Members have the option to apply for Bonsucro certification which will verify your sustainability credentials and enable you to make claims
- Receive dedicated membership management that includes consultation with Bonsucro staff and action plans
- Receive annual updates on the positive impact that Bonsucro members collectively achieve on areas such as CO<sub>2</sub> emissions, water use, safety on farms/at mills and average wages for workers.
