

# BONSUCRO MEMBERSHIP

Bonsucro’s purpose is to collectively accelerate the sustainable production and uses of sugarcane – for farmers, millers, buyers and end users. We have created a global community of 280 members in more than 50 countries that represent the entire sugarcane supply chain.

These organisations work together to create sustainable producer communities and resilient, assured supply chains.

## Why join us?

- **Help make the sugarcane sector more sustainable** and work towards achieving the SDGs (e.g., ‘responsible consumption and production’ and ‘climate action’)
- **Collaborate on impact projects to address key sustainability issues** in sugarcane, such as supporting smallholder farming communities and reducing greenhouse gas emissions.
- **Apply for Bonsucro certification** to verify your commitments and practices.
- **Buy or sell on the Credit Trading Platform**, an easy tool that connects sugarcane producers and buyers.
- **Access technical advice, practical tools and resources** on sustainability in sugarcane production and supply chains.
- **Receive dedicated membership support** from the Bonsucro team around the globe.
- **Get preferential access to Bonsucro events**, including discounts and opportunities to both speak and sponsor.

### A powerful network

The world’s most reputable companies and civil society organisations are already working on sustainability issues together.

### Valuable resources

Get informed about the issues and opportunities that sugarcane brings with Bonsucro’s webinars, training and tools.

### Global credibility

Demonstrate your commitment to professional, successful and responsible business – and inspire others to take the same steps.

## Find your membership category

Bonsucro membership categories are based on your primary business (by revenue).

Farmer	Farmer association	Industrial
Mill association	Intermediary	Intermediary (trader)
End user	Franchise credit buyer	Civil society

## About Bonsucro

**280+ members** dedicated to sustainable sugarcane

**In 50+ countries,** across all continents

**15+ years** of collectively working towards sustainable sugarcane

**27% of global sugarcane land** is owned or managed by Bonsucro members

## Join our global network

No matter which part of the supply chain you're interested in, no matter the size or nature of your business: if you're invested in sugarcane, and you want to take the next logical step, you can do it as a member of Bonsucro.

To ensure we are inclusive, Bonsucro's fees are tiered and depend on the nature of your business. Factors such as annual turnover, size of land owned, and the volume of sugarcane you produce or use are taken into consideration.

Joining Bonsucro is simple. Complete the application process on [our website](#).

If you have any questions or would like to learn more, our team would be happy to help you.

**To begin your membership journey, visit [bonsucro.com/join-the-network](https://bonsucro.com/join-the-network) or contact us at: [membership@bonsucro.com](mailto:membership@bonsucro.com)**

## What our members say

"Copersucar is committed to Bonsucro's efforts to develop a sustainable global sugar supply chain. Bonsucro gives us a chance to exchange global best practices to improve the sustainability."

"We strongly believe that by engaging with Bonsucro and working with other members, we can support the journey towards a thriving, sustainable sugarcane sector and help create resilient supply chains."

"Bonsucro offers a credible and rigorous sustainability standard, which gives our customers assurance that the plant-based polymers in our packages are made from sustainable sugarcane."
